

**APPLICATION FOR WAIVER OF AUTHOR FEE'S**

*Current Oncology* charges Article Processing Fees (APF) and Extra Page Charges (EPC) for articles that are submitted and accepted. The APF is \$800.00 CDN, which includes up to four black & white published pages. An extra page charge (EPC) of \$150.00 CDN per black & white page will apply for each additional published page over four pages.

The APF and EPC will apply to all manuscripts including; original articles, review articles, case reports, practice guidelines and consensus statements, short communication, perspectives in oncology articles, and non-solicited commentaries. **Letters to the editor, cancer narratives, invited commentaries, and editorials are exempt from paying this fee; the fee will automatically be waived and it is not necessary to submit this waiver form.**

Please complete and return this fee waiver form if you are unable to financially support the APF and EPC or other reason.

We ask that you complete the below form and send it to the *Current Oncology* Editorial Office, for review and consideration. We will contact you by e-mail with our decision within 2 weeks. Please send this application form by e-mail, fax or mail at your earliest convenience in order not to delay the publishing process. For contact details, please see bottom of form.
